

## PHB-5 PORTABLE PH METER

Technical performance:

Measurement range	0-14.0PH
Level	0.1
Liquid crystal display is convenient to carry	and E201 composite electrode is used
PH measurement range	0.001 ~ 14.00 PH, measurement accuracy: $\pm 0.1$ pH
temperature compensation range	none
Power supply	1 dc 9V battery
External dimension	120× 40 & times; 34 mm
Weight	110g
