

PHB-5 PORTABLE PH METER

Technical performance:

1. Measurement range: 0-14.0PH
2. Level: 0.1
3. Liquid crystal display is convenient to carry, and E201 composite electrode is used
4. PH measurement range :0.001 ~ 14.00 PH, measurement accuracy: ± 0.1 pH
5. Temperature compensation range: none
6. Power supply: 1 dc 9V battery
7. External dimension: 120× 40 & times; 34 mm
8. Weight :110g
